Growing up and living in the country meant my family always helped me train while living in a remote location. If it wasn't for my sister, Stacy, my mum and my nan, I would never have grown to love and appreciate the sport for all of its greatness.

**Who is your hero?** My sister, Stacy, and my husband to be, Adrian. Their unconditional love and passion for life forever inspires me to be a better person.

**If you had a choice to do anything in the world, what would you do?** As an educator, I would love for every child to be able to read and to be loved unconditionally.

**What car do you drive?** A Nissan Nirvara – we live on a remote island near Papua New Guinea in the Torres Strait so we need a four wheel drive to tow our boat in and out of some tricky locations.

**What are you famous for?** Having my own lingo – some people want to write a dictionary based on some of my vocabulary.

## **INTERESTING FACTS**
